Musical Treat In Tennis Concert

Lyric Trio in Narberth Next Friday Evening

To those who are working so hard to make it a success, the concert to be given on January 16th under the auspices of the Ladies' Auxiliary of the Narberth Tennis Association seems very close at hand. To those who are anxiously awaiting this musical treat it seems that the time will never come. Too much credit cannot be given the ladies for their hard work in planning the biggest thing in the way of good music that has been brought to Narberth in many years. The fact that good music is something everybody appreciates is proven by the way the people of Narberth are responding and supporting this affair.

The Lyric Trio are famed as producers of mirth, melody and music of the highest quality. All are star members of the Matinee Musical Club of Philadelphia, an organization famed the country over for the quality of their programs. Only last week the Lyric Trio broadcasted from Station WFI a program that is still drawing applause cards from all over the United States and Canada. If you heard this program over the radio we know you will be present. If you were unfortunate enough to have missed it just remember that people all over the country are clamoring for a repeat program from Station WFI and then phone immediately to Mrs. James G. Foote and ask her to save you the required number of tickets.

A program by this famous trio would seem to be plenty of entertainment for one evening but the ladies of the Auxiliary believe in doing things right and so for very good measure Miss Lillian May Leidy will also be there to assist the trio with her fine contralto voice and also as a final inducement Mr. William Bentz, the director of the Main Line Choral, will be the accompanist.

The Lyric Trio, composed of Dorothy Power, harpist; Florence Haenle, violinist, and Ernestine Bacon, soprano, assisted by Miss Lillian May Leidy, contralto, and Mr. William Bentz, accompanist, will give the following:

1. Trio—"The Break of Day"
2. Harp Solo—"Welsh Melody," Thomas
3. Contralto Solo
4. Violin Solo
5. Trio—"Mighty Lak a Rose"
6. Soprano Solo
7. Violin Solo
8. Duet Soprano and Alto
9. Harp Solo—"Spanish Dance"
10. Trio—"The Italian Street Song," Victor Herbert

MEN OF NARBERTH

Reserve Monday, January 26, so that you can attend the smoker given by your local American Legion Post to help foster a community spirit in our borough.

The grand event will be held at Elm Hall, commencing at 8.30 P. M. sharp, and finishing in time so that no labored excuses will be necessary to your better halves.

Come early and smoke the pipe of peace and good fellowship with us, for, as you know, the capacity of the hall is unfortunately limited.

There will be smokes, a good show and, above all, a welcome awaiting you. Come and help us celebrate and start the year of 1925; meet your neighbors and see how the American Legion Post can act as host.

Naturally, there will be no tickets to buy or any other charges. All that is necessary to admit you is to get there early and avoid the rush.

Firemen Still Awaiting Audience.

The committee appointed by the directors of the Bala-Cynwyd fire company at the request of the active members of the company to appear before the Township Commission to protest its action in awarding South Merion to the Narberth fire company for sole protection is still awaiting an audience with Chairman F. Clifford Mackey, of the police and fire committee.

Heavy Snow Makes Travel Difficult

Burgess Issues Warning On Cleaning Sidewalks

After a week of alternate ice and slush, Narberth is emerging from the heavy snow which inundated the countryside last Friday.

Very few motorists took their cars from the garage last Friday and Saturday, and those who did experienced most of the thrills of Arctic exploration. Stalled cars, which had careened into ditches, and cars caught in drifts were common sights.

Ray Weiss memorized a set speech for the phone. It ran: "Yes, sir, we have chains. The man is out with several sets now, but when he comes back he will come right over." Tow ropes were also at a premium, and several ambitious motorists carried a box of ashes in the rear of their car for possible need.

The borough forces were on the job shortly after the snow stopped falling and hauled away the excess from the gutters on Haverford avenue. Street Commissioner Suplee was kept busy warning shopkeepers to remove the snow from their walks, but progress was slow.

Throughout the borough there was noticeable laxity in the clearing of pavements. The plow was sent through but removed but a part of the snow. The remainder softened under the sun and later turned to ice.

The walking was very bad in places. Burgess Carl B. Metzger, on observing the conditions, warned a number of householders of the borough law requiring pavements to be cleared. He issued this statement yesterday:

"Warning is given the residents of the borough that the ordinance covering the removal of snow and ice from the sidewalk will be enforced. Twenty-four hours after a storm sidewalk must be cleared or summons will be issued and the owners or tenants will be fined. As the fine will be from \$10 to \$25 it will pay better to clear the sidewalks promptly. The borough forces are kept busy trying to keep the crossings clean and assisting the people by running the snow plow, but it must be understood that everyone has a responsibility to see that their sidewalk is cleaned and cleaned promptly."

The first big snow of the season caused a very busy time for contractors for Montgomery county, who have engaged to keep roads open.

Last year they did not make a cent, nor did snow cause a cent of expense to the county. The contracts all expired on March 31 and a few days later the only big snow of the year fell. Two of the roads were cleaned after that snowfall, this being done by private arrangement between the County Commissioners and the contractors at the regular price. These roads were the Germantown pike, which cost \$130.88, and the Hatfield pike, which cost \$40.

The contractors agree to furnish sufficient scrapers, trucks and labor to keep the roads open, and they are supposed to start in soon after the snow begins to fall and not to wait until a foot or more is on the ground. They are paid by the hour and the contract price for labor varies from 60 to 70 cents per hour. The higher rate obtaining the closer the roads approach to the larger towns and cities.

The work of keeping the roads open during the season of 1924-25 has been awarded to the following:

E. H. Johnson—Swamp pike, Germantown pike, Ridge pike, Bethlehem pike, Blue Bell pike, Montgomery pike, Willow Grove pike, High street, Pottstown, Hatboro pike and Penlyn pike.

Samuel Sowers—Souderton and Gerysville pike, Hatfield pike, Telford pike, Hatfield and Union pike.

John Mitchell—Gwynedd pike, West Point pike, Lansdale pike, Spring House and Sumneytown pike.

NARBERTH LEAGUE

To Hold Luncheon on February 5th.

Members and friends of the Narberth branch of the League of Women Voters will have an opportunity of participating in an exceedingly interesting afternoon on Thursday, February 5. Plans are in progress for a luncheon on the above date and a coterie of prominent speakers will present various timely topics.

Miss Gertrude Ely, Chairman of Montgomery county, and a member of the National Board, will be among the speakers. Miss Ely will relate her experiences while attending the conference at Geneva during the past summer.

Dr. George E. Kirchwey, formerly Dean of Law at Columbia University, and for a time warden at Sing Sing Prison and at present head of the Pennsylvania Society for Penal Reform, is expected to speak on the penal situation in Pennsylvania.

The Child Labor Amendment, probably one of the most important controversial subjects nationally, will be debated at this time.

The regular January meeting will be omitted.

League dues can be sent at any time to the treasurer, Mrs. E. C. Griswold, and members are urgently requested to send them in promptly in view of the new State ruling, which will cease to mail the State Bulletin to any member whose dues are unpaid by February 1. Local members please send dues before January 25 in order to give sufficient time to forward names to headquarters.

The local league is anxious to maintain the excellent record it has attained in the county and hopes for a 100 per cent. renewal of old members as well as a substantial increase in new members. Be sure and reserve Thursday, February 5.

SCHOOL NOTES

The Narberth Public School extends their deepest sympathies to the parents of Robert Bailey, a pupil in the Sixth grade. Robert died on Wednesday afternoon from heart trouble.

There were two volley ball games played Wednesday between the 7A and 7B. The 7B was victorious in both games. The score in the first game was 21-3, and in the second game, 21-11.

A book contest is being held among the pupils of the Junior High School. There are nine pictures, illustrating famous books for boys and girls posted on the bulletin board. The first pupil to hand Miss Jenkins a correct list will be awarded a prize. The winner will be announced next week.

Miss Speakman, the music teacher, returned to school Tuesday after a short illness.

Elma Reese has returned to school, although she is still suffering from a slight concussion of the brain.

Willard Black returned to school Thursday after being ill for some time, after an operation for appendicitis.

The rule about no throwing of snowballs on school property is in effect again this year.

Alice Monks has been absent in December, but she seems to be recovering now.

Nicholas Fittipaldi is sick from scarlet fever.

The books in the library will be catalogued next week in accordance with Dewey system of classification. A card catalog with cross references to the books will be installed as soon as the work is completed.

FINE 22 IN ARDMORE

For Passing Traffic Light on Lancaster Avenue.

That Chairman Mackey, of the Township Police and Fire Committee, meant what he said when he warned motorists recently to head the traffic lights on Lancaster pike in Ardmore was impressed upon 22 drivers last week.

Twenty-two motorists and truck drivers who ran past synchronized "stop" signals in Ardmore were fined \$5 and costs by Magistrate Stillwagon in the Ardmore police station last Wednesday.

Harder Sailing For M. L. Legislators

Changed Political Conditions at Harrisburg

Under considerably different auspices from those obtaining in the 1923 General Assembly, the Main Line will again be represented in the 1925 session by State Senator Fletcher W. Stites, of Narberth, and Assemblyman Benjamin H. Ludlow, of Ardmore.

Two years ago Governor Pinchot was paramount. He virtually named the Speaker, laid down a program, and most of it was carried out. It was a Pinchot session.

Throughout that session Mr. Stites, the representative in the upper house from Montgomery county, was the recognized Pinchot leader there. He was considered very close to the Governor in many ways.

Similarly Mr. Ludlow held the post of Pinchot floor leader in the lower house, although he was regarded as less positively a "Pinchot man." The Governor and his regime stood for many things in which Mr. Ludlow believed, hence the association.

Now with the Vare-Grundy combination pushing the Governor's forces into the background, it is likely that either Senator Stites or Assemblyman Ludlow will be called upon to play the same prominent parts they did two years ago. But that they will be factors in their respective houses there is no doubt.

While neither is a "machine man" and Senator Stites fought the Montgomery county political organization, neither is an anti-organization man.

Mr. Ludlow faces a vigorous attack, especially from Philadelphia; upon the law, called the "Ludlow parole bill," which he presented and put through in 1923. This law prescribed that the minimum penalty for a crime could not exceed one-half the maximum.

Taking the position that the operation of the Ludlow act seriously interferes with the imposition of adequate sentences in the Courts of the State, many Judges and District Attorneys in the Commonwealth have indorsed a movement designed to repeal this law.

A repealer is to be introduced by Senator Augustus F. Daix, of the Seventh district, of Philadelphia.

The Pinchot administration is expected to make an effort to maintain the Ludlow act in its present form.

In its actual operation the Ludlow act, according to a number of Judges, has proved a serious handicap in the imposition of sentence in second-degree murder cases. Some months back, Judge Harry S. McDevitt, of Philadelphia, in passing sentence on a man convicted of murder in the second degree, ignored the limits set by the Ludlow act by imposing the limit, or 20 years, with a minimum of 15.

Judge McDevitt held that the act was unconstitutional and other jurists indorsed his ruling. The Supreme Court, however, held the act was constitutional and Judge McDevitt was forced to reimpose sentence. This fixed the minimum at 10 years or one-half the maximum. In other words, it cut five years from the sentence of a man convicted of second degree murder, since it is the custom to parole prisoners at the expiration of their minimum term, provided their behavior has been good.

Luncheon.

Mrs. Winthrop Derby, of Wynnedale road, Narberth, entertained at luncheon last Monday in honor of Miss Augusta Witherow. The guests were Mrs. William Durbin, Mrs. Wm. Fretz, Mrs. George Riddle, Miss Marian Trotter and Miss Augusta Witherow.

Miss Jane Butterworth is entertaining at luncheon and bridge today at her home in Wallingford, in honor of Miss Witherow. The guests include Miss Alice Thwing, of Germantown; Miss Hilda Reiter, Mrs. Phillips Gencino, of Philadelphia; Miss Mary Anderson, of Llanerch; Mrs. Kenneth Mawha, of Merchantville; Miss Elsie Butterworth and Miss Augusta Witherow.

MRS. ANNA B. PATTISON

Widow of Ex-Governor Dies in Narberth.

Mrs. Robert E. Pattison, widow of the last Democratic Governor of Pennsylvania, who twice was elected to that office, died Sunday at the home of her son, Robert E. Pattison, Jr., 312 Chestnut avenue. She was in her seventy-fifth year and had been ill for several months.

The funeral was held on Wednesday from her late residence. Interment was at West Laurel Hill Cemetery.

Mrs. Pattison was Miss Anna Barney Smith, daughter of Edwin A. and Lavinia Smith, of Philadelphia. She was born on December 1, 1850, and was married to Mr. Pattison on November 28, 1872, immediately after Mr. Pattison had been admitted to the Philadelphia Bar. He immediately took an interest in Democratic politics and, on a Fusion ticket, was elected City Controller in 1877, serving until 1882, when he was elected Governor, receiving the Democratic nomination and the support of the independent Republicans.

Mrs. Pattison was mistress of the Executive Mansion from 1883 to 1887, and again from 1891 to 1895, when Mr. Pattison was re-elected after being out for one term. Again, in 1902, Mr. Pattison was a candidate, but was defeated. He retired then from politics and devoted himself to the practice of the law. He died on August 1, 1904, leaving his widow and children without any wealth, as he had been noted in politics as the most upright and high-principled of statesmen, who refused to take advantage of shady ways of making money.

After Mr. Pattison died, Mrs. Pattison was in straits, and her son, Robert E. Pattison, Jr., had to give up a promising college career and go to work. In 1922 Young Bob beat the organization candidate for the Democratic nomination for Lieutenant Governor, but was defeated.

Mrs. Pattison is survived by her son and two brothers, Ellwood Smith, of this city, and Edwin Smith, of Atlantic City. She had two other children, Robert Henry, who died when quite young, and Mrs. Levenia Russel Perry, who died several years ago.

MRS. ROWENA PEEBLES

Mrs. W. J. Peebles, of 109 Iona avenue, died at her home on Wednesday of this week. She was in her sixty-second year. She had been ill for several weeks.

The burial service was held at her late home last night. Rev. John Van Ness, pastor of the Narberth Presbyterian Church, officiated, assisted by Rev. Dr. C. W. Cherry, pastor of the Pine Street Presbyterian Church of Harrisburg. Dr. Cherry is a former pastor of the family.

Another service will be held at Parnassus, Pa., this morning and interment will be made at that town.

Mr. and Mrs. Peebles moved to Narberth from Pittsburgh 14 years ago. Mrs. Peebles was very active in the work of the Narberth Presbyterian Church, acting as superintendent of the Beginners' Department of the Sunday School.

She is survived by her husband and three children, Mrs. Frederick W. Lineaweaver, of Cynwyd; Mrs. Mary Turner, of Pleasantville, and Mr. W. Locksley Peebles.

ROBERT A. BAILEY

Robert A. Bailey, 12-year-old son of Mr. and Mrs. William J. Bailey, of 228 Essex avenue, died at the home of his parents on Tuesday of this week. Death was due to heart disease.

Funeral services were held yesterday and burial was made at West Laurel Hill Cemetery.

Dog Licenses.

Warning has come from county headquarters that dog licenses for 1925 must be secured by January 15. All dogs must be licensed unless under six months old, in which case they must be registered when they reach that age.

The licenses can be secured from the County Treasurer or through any Justice of the Peace, Alderman, Magistrate or Notary.

The fine for failure to secure tags is not more than \$100 or three months in county prison.

Dogs without tags may be impounded or shot.

State inspectors are rigidly prosecuting under the dog laws of 1917 and 1921.

Educators Talk On Modern Methods

Community Club Hears Drs. King and Froelicher

There was much nodding of heads and many smiles of appreciation as Dr. LeRoy A. King and Dr. Francis F. Froelicher talked of present-day methods of education and compared them with those methods under which many of the audience had been trained.

Dr. Froelicher comes from the Oak Lane Country Day School, where they are using the Dalton system of education. Before speaking of his school, he told of other methods, such as socialized education, where there is no formal atmosphere and no drill-master; of the method in which the child is left alone to develop as he shows initiative, and how in some schools it is possible for a child to take an examination every two weeks and in six weeks' time be way ahead of other children of his class. At the Oak Lane School, while there is plenty of freedom, yet there are also restrictions. They use the intelligence test to help them place the child and they give every opportunity for self-expression in the classroom.

Dr. King came laden down with charts to illustrate his talk. He first emphasized the fact that individuals differ and cannot be trained in the same way. This statement he proved when, by his charts, he showed the chronological and mental ages of children in various studies and by statistics showed that in most schools the mental ages in the same class varied five points.

His story of the Winnetka School, near Chicago, was most interesting. Here they revised their old textbooks to suit their own needs. The course is divided into so many goals and as the child finishes one goal he goes on to the next. In this way he is promoted as he passes each goal and so no one is ever "left down."

The four points to remember in the Winnetka plan are: 1. It aims to give complete expression in the course of study. 2. The attempt is made to measure the efficiency with which the pupils have met these goals. 3. Leading up to these tests, booklets are prepared of practice exercises. 4. Individual subject promotion. This system is practically the same as the Dalton Plan.

Gym class every Wednesday morning at 9.30.

Current Events Class on Tuesday afternoon, January 13, at Mrs. Eberhardt Mueller's, 225 Essex avenue.

Southwestern district convention at Lancaster on Thursday, January 22. Train leaves at 8.32.

On January 29 the Community Club will broadcast from Strawberry & Clothier's.

Mrs. Merrill Gerhab sang at the club meeting. Her selections were "Morning," "Marcheta" and "My Destiny."

Bring your children with you to the meetings. There will be someone to care for them.

Six Narberth shut-ins were sent baskets of fruit and jelly this Christmas.

The library made its report for the year ending December 31, 1924; this report to be filed in the State Library at Harrisburg. Within the last year the library has been opened every afternoon (except Saturday and Sunday) from 3 to 5 and on Friday evening from 7 to 9—instead of two days a week as formerly. The increase in circulation is between three and four thousand volumes. The reference department has grown by leaps and bounds. The only thing that has stood still is the receipts from the rental books. The report showed a number of gifts of money; the treasury has never been quite empty.

Pupils Get Extra Hour Off.

Pupils at Lower Merion High were given an extra hour to their Christmas holiday Monday when school reopened at Ardmore. The snow and slush delayed busses an hour and classes were not resumed until an hour after the scheduled opening time.

NARBERTH GIRLS

In Play Under Boys' Court Rules for First Time.

The Narberth Girls' Basketball Club won its opening game in the Philadelphia Manufacturers' League, defeating the fast Maritime Club of Philadelphia, 7-6. The victory puts them in a tie for first place with M. & N.

The features of the game were the guarding of the whole team and "Jimmie" Needham's field goal and two fouls. Agnes Leonard must not be forgotten, as her clever work at centre and her field goal put Narberth in the lead.

Miss England, T. Lentz and H. Russell did not get a chance to score, as they were kept too busy keeping the Maritime girls from the baskets. This was the first time the Narberth girls played boys' rules and Manager Hollar, who has been coaching the girls for the last month, was much pleased with their work.

The Narberth girls had a disappointment when the Prince of Peace girls did not show up last week, but nevertheless there were enough girls out to make two pick-up teams. These staged a scrub game to avoid disappointing the fans who had paid admission.

Next Monday the Narberth girls will travel to Eighth and Lehigh avenue and play the St. Simeon girls. On January 14 there will be two games at Narberth. The Cawa A. C. has been secured and promised to be on hand early. These two games will be played at the Y. M. C. A. building.

January 21 Greystock will play the boys at Narberth and St. Simeon will play the girls. On January 28 the St. Ann C. C., of Philadelphia, will play the boys and the Bristol Girls' Club will play the local girls.

Can a Dog Exercise Discretion?

A Massachusetts court was recently called upon to decide this question:

Damages of \$1000 against an automobilist who ran over a dog hung on the decision of the court.

The dog owner contended that the dog was "in exercise of due care" when he was run down by the automobilist.

If the court finds that the dog was discreet the automobilist will have to pay.

We recommend that every automobilist exercise a little discretion and protect himself with a Travelers Automobile Policy, so that he won't be a loser in case some court decides against him.

If you couldn't use it? Yet that is always a possibility. Fire or accident may put it out of commission. BOWLING

League Games Are Resumed on New Alleys.

The brand new bowling alleys of the Baptist Church were the scene of the first contest of the second half of the Interchurch Bowling League on Monday night, January 5, when the senior teams of the Presbyterian and Methodist Churches met. The Presbyterians, winners of the first half, kept up their reputation by winning two games. They started out poorly in the first game and lost it but came back strong in the next two and won both. The splendid new alleys of the Baptist Church will be used hereafter for all the League games, and it is expected that some new league records will be set up. Games are scheduled for every Monday and Friday evening.

LOCAL BOYS UPSET

Two Extra Periods Played in Ardmore Game.

The red and white quintet of the Narberth Methodist Church met their first reverse of the season, thus dropping into second place in the Main Line Church Basketball League. The victors, the Ardmore Presbyterians, played an uphill game; finally tying the local boys at the end of the second half. The first five-minute play-off also ended in a tie. However, in the second five-minute play-off the visitors came out on top, 30-28.

After the first five minutes of the first half, the local boys jumped into the lead, where they remained till within twelve seconds of the close of the game. At this time a double foul was called on one of the Narberth guards. Reinhold, upon whom the foul was committed, made both shots, tying up the score, 25-25.

At the start of the first five-minute play-off the local boys again jumped into the lead, 28-25. However, a skillful bit of team work, and a foul shot by Stillwagon, again tied things up 28-28.

Now for the sob stuff! In the next five-minute play-off, two foul shots by Stillwagon put the Ardmore five ahead, 30-28. At this point the visitors "froze" the ball, and their skill in keeping the ball to themselves enabled them to finish with a two-point lead.

The loss of Thursday night's game spread a gloom over the Methodist's camp, as it jolted the local boys out of first place. The many rooters present at the conflict also left with heavy hearts, as everyone wishes to see the "Y. M. C. A. Cup" come to Narberth. However, the season is not yet half over, and the local boys will play two more games with the victorious Ardmore Pres., so there's plenty of chance for revenge, and before many a fortnight, or something like that, the local five will probably be out in front.

Narberth Quintet Loses.

Narberth lost to the fast South Philadelphia All-Stars, the pick of the South Philadelphia League, 38-24, this week. Marsh starred for the visitors with six field goals and two fouls. M. Dickie, with three field goals, was the big man for the home club.

Season tickets for the basketball games have been mailed to the citizens of Narberth. Have you received yours? If so have you made your returns? If not, please do so, as the team is depending on this money to pay the entrance fee into the league. The team needs money for uniforms also.

The girls and boys play every Wednesday night at the Y. M. C. A. building. Let us have your support. This is the first girls basketball team to represent Narberth and we want them to do so in the good old-time Narberth way. Mail your checks for any amount you care to H. Holiar, 511 Gordon avenue, Narberth.

MORE FREE BOOKS

Library Transfers Many Volumes from Rental Collection to Free Shelves.

Aside from voluntary contributions of money and reading matter, the income of the Community Library is derived solely from the rental of new books to adults at two cents a day (minimum charge, ten cents). On these rentals the library has achieved all its growth and service. There is now, however, a large collection of books which are loaned free of charge and which it is the desire of the library to increase steadily. This free collection is augmented at the beginning of each year by transferring to it from the rental collection all books published in the third previous year, leaving in the rental collection only the books of the current year and of the two previous years.

Under this system all books published in 1922 became available for the free group on January 1, 1925. This transfer was made last week by Mrs. E. A. Muschamp, the librarian in charge of circulation, and her two assistants, Mrs. H. P. Moore and Miss Marian Trotter. It took them an entire morning to make the transfer and, in view of the frequent complaints that come in concerning the difficulty in making the "rental collection" labels stick, it was amusing to hear their comments on the difficulties they encountered in making these same labels come off.

By this transfer 124 books, which have previously been available on a rental basis only, are now on the free list. These include such well-known and popular books as: "This Freedom," by Hutchinson; "Babbitt," by Sinclair Lewis; "The Cathedral," by Hugh Walpole; "The Breaking Point," by Mary Roberts Rinehard; "Spinster of This aPrish," by W. B. Maxwell, and "Gentle Julia," by Booth Tarkington.

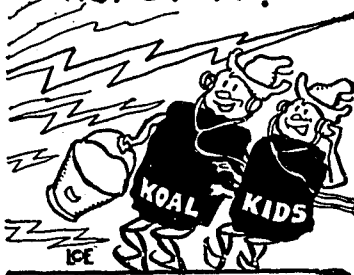

IF YOU KNOW ALL YOU CARE TO ABOUT YOUR BIBLE THIS IS NOT INTENDED FOR YOU. If not, you are cordially invited to attend the non-denominational class which Dr. Shope has been prevailed upon to conduct at the Y. M. C. A. building Monday evening, January 12, at 8 o'clock.

This will afford many an opportunity to hear Dr. Shope who have long desired to do so but who have been unable to attend his Sunday classes.

THE LAST SHOVELFUL

Last Friday, when the "big snow" arrived, we were deluged with orders for coal. Fifty-six families were down to the last shovelful!

You naturally enjoy receiving clean coal, free from snow, ice and dirt.

We want to deliver you good, clean coal. That is why we buy the best Lehigh Valley coal obtainable and screen every ton with our electric loaders.

Our aim, which bears repeating, is to "keep our customers happy."

We want to see more orders placed when the weather is clear, and fewer when the snow begins its downward flight. Then we can put our best foot forward and you will reap the benefit.

Don't wait until the last shovelful!
